WHAT'S HAPPENING

Farrah Griffith, Principal | Kim Savage, Asst. Principal | Steve Wilson, Asst. Principal

From the Principal's desk:

Finish Strong!

As we enter our 7th month of school we are well on our way and actually hitting the downhill stretch. The second semester is now in full swing. We want to finish STRONG! Our students and teachers have been working hard to master the standards. We are reminded that those standards are important to master to be prepared for the next grade. Progress reports and report card grades give us an idea of where we are in that progress on mastering the standards. If students have poor grades, there is still time to bring them up! But the time is now! Keep in mind that failures for the year in 2 subjects can result in failing for the year. I urge you, as parents, check skyward, call, or email teachers if you need more information. This week, I hope you will attend our Parent Teacher Conferences on Thursday from 3:15-6:15. Together, we can help students be successful!

Snow Day update...

We have now used 7 snow days. This means we have 5 remaining. Grading periods will not be altered this quarter. This means (1) that there are fewer days in the grade period and (2) some of the Core tests and grades did not make it on this progress report.

♥♥♥ If there is a 2 hour LATE START day, ALL White County schools will open at 9:00am. If 1 hour late, school will open at 8:00am. Please note this change and have a plan in place for your family.

Parent University

Coming this spring, WCMS will host our first Parent University Night. The topic will be Cellphones, Social Media, and Online Gaming. We look forward to the opportunity to talk to parents about safe use of technology. Date and time coming soon!

Congratulations to our 6th
Grade Warriorettes
James C. Haile 5th/6th Grade
Large Division Champions

Congratulations to the Warriors and Warriorettes on a great season!

CTC All Conference Players

- Caydra Parker
- Nia Powers
- Ben Hillis
- Isaac Butcher

James C. Haile All Tournament Players

- Celeste Reed
- Layne Copeland
- Tatum Rittenberry

Math-a-Thon

White County Middle School has begun its annual math-a-thon program. This program encourages students to get sponsors, do the math, and collect money for St. Jude Children's Research Hospital. Students are working on the math workbooks in class. We would like to encourage as many students as possible to get sponsors and collect money to help us research our \$10,000 goal. All donations will be due Friday, March 2. Students can also set up online accounts for donations at mathathon.org. Thanks for all your help as we work with St. Jude to save children's lives!

Groundhog Day
February 2, 2018

Punxsutawney Phil saw his shadow!
Welcome to six more weeks of hot chocolate weather!

Mr. and Miss Basketball 2018
