Fall Sports Pictures	9/19
Winter Sports Pictures	10/4

Homecoming 9/18

Fantastic Friday 9/14

WCMS collects Box Tops for Education! Teachers use the money earned to buy supplies for their classroom.

## FROM THE PRINCIPAL'S DESK:

Our school year is off to a great start! 2018 at WCMS has brought some changes. This year all students received a student handbook. This handbook contains our school handbook along with a very important tool...an agenda. Students are using their agendas to record homework and important information. It is our hope that this will serve as a link between school and home and help students be more organized and successful. Please look at your student's handbook often and encourage them to record assignments and important events!

We also have launched school-wide positive behavior support. Our students are learning traits to help them in school and life in hopes that we can cut down on discipline in our school. Our Warriors are using A.R.M.O.R. to combat poor choices. Our goal is to grow good citizens!

## A.R.M.O.R.

**A. Always Be...**

**R. Respectful - We can all be a success and learn from one another. We work together as a team.**

**M. Motivated - We are proactive. We are in charge of our own actions, and we do the right thing even when no one is looking.**

**O. Organized - We have a plan. We can set goals and make decisions that lead to success.**

**R. Responsible - We put first things first and say no to things we should not do. We take care of ourselves and the people around us.**

# Student of the Month

Student: Jayci Seal

Parents: Danya and Tim Seal

About: Jayci is an outstanding student and has a wonderful personality and a very caring heart for others. She is on the WCMS girls' soccer team and loves to sing and dance in her free time. Something especially unique about Jayci is that during this last summer of 2018, she was chosen to attend a Joint Science and Technology Institute in Maryland. She was one of three students in the state of TN, and one of 40 in the entire nation chosen to attend this event where the students worked with high level math and chemistry! WCMS is definitely proud to have Jayci as one of their students.
